PRAYERS & CONCERNS

Continue to pray for **James & Elizabeth Dickison**, **David & Jan Miles**, **Jess D'Spain**, **Mary Boyd**, **Arjie Flores**, **Bobby & Lesa Odom**, **Alva & Gladwyn Kiddoe**, **Janie Thomas**, **Mona Stark**, **Deann Boyd Shults**, **Chad Larson**, **Annie (James' mom) Singleton**, **Debbie Hicks**, **Rita Boren**, **Richard Moore**, **Donna Wittenburg**, **Mike McMahan**, **Leeann Williams** and **Mike White**

Mona Stark went to the ER on Tuesday with oxygen level at 84. She was admitted to the hospital with acute respiratory failure. Her body is not getting rid of carbon dioxide. She has been moved to rehab in Killeen.

Larry Morrison had the routine cat scan that he has ever so often. Once again he has received a good report!

Prayers for **Donna McAnally** of Lampasas, cousin of Susan Hines. She was having blurred vision on Thursday and a blood clot was found in her brain. She is in the hospital in Austin and is receiving a heparin drip to dissolve the clot. She was hospitalized for 11 days in July with UTI and sepsis. Not sure if it's related.

Keep **Leeann Williams** in your prayers as she prepares to be seen at MD Anderson in Houston.

Lightpost

Lightpost is the new app we will begin using to host the church website, manage the directory, communicate with members and keep the calendar of church events. Part of Sunday evening meeting time in August will be spent helping members get set up. See Chris Willcut, Holly Hines or John Hines for more information or if you need additional help.

We received many snack donations to give to the teachers and staff at Lometa school. They were most appreciative. School starts Tuesday so be on the lookout for kids and buses.

A bulletin board has been installed in the annex by Holly & John Hines. Be sure to check it for things that are going on in our church and community.
